

## SMILE Activities to combat COVID - 19

SMILE has been responding to the grief of villagers of Bagbahara Block, District Mahasamund of Chhattisgarh State through making of Face Masks, Hand Wash and Creating awareness for regular Hand Wash, Respiratory Hygiene, Personal and Toilet Hygiene as per the guidelines of WHO.

Though the Lockdown has created hindrance in getting raw materials for Masks and Hand Wash we, with the support of NABARD Mahasamund and Bagbahara Local Administration could manage to get raw material so that our SHGs with the support of our Animators could regularly make the Masks and distribute it widely to the needy.

Nearly 12000 Masks, were made and distributed till date.

Now we have received an order for making 28000 Masks for the Forest Department.

Our SHGs became instrument in distributed Ration Packets to 50 families through Gram Sangathan which is being funded by Disaster Relief Fund to the needy people after assessing their needs.

At Village Ganger food for a day was provided to the people who were moving from one place to other with the help of our Animators.

People confiscated at Bagbahara Kala while moving by truck during lockdown were fed by our SHGs.

Hathigarh SHGs distributed Vegetables.

Awareness on Hand Wash was also done by the SHGs.

Our 10 SHGs are involved in taking care of 169 cattle in a village regarding their feeding and drinking water.
